

## DRY CHLORINE BLEACH

**GENERAL DESCRIPTION:** A quality dry powder form of chlorine bleach. Cleans, whitens, deodorizes and removes stains from white bleachable fabrics. May be used in combination with laundry detergent or used as a pre-soak.

**ADVANTAGES:**

- Removes stains
- Whitens and deodorizes
- Safe and easy to use

**PROPERTIES:**

Color	White
Odor	Chlorine
Form	Powder
Available	6%
Solubility	Excellent
pH-1% solution	7.0 to 8.0

**APPLICATION:** For the average 12-gal washing machine, put the detergent and laundry in the tub. Fill with water. Then add two heaping tablespoons of DB-60 just as agitation starts. For badly stained fabrics, increase amount used. For commercial laundries use approximately 8 oz. per 100 lbs. wash load. For bleaching fabrics by hand, prepare a solution by adding a heaping teaspoonful of DB-60 to two gallons of water.

**CAUTION:** May cause burns to eyes and mucous membranes. Avoid eye contact. Harmful if swallowed. Keep out of reach of children.

**PACKAGING:**

- 20 lb Ctn
- 50 lb Ctn

Always consult the MSDS sheet for any hazardous ingredient information, precautions for safe handling and use, health hazard data, or other information regarding this product.
